Preparation of the CITES COP15 – Doha

Wednesday, 27th January, 3.00-5.00

Room JAN 6Q1, European Parliament, Brussels

With interpretation into English/French/German

The Agenda of the meeting is attached

The EP is drawing up the Resolution on the EU strategic objectives for the CITES COP15. The votes in the Environment Committee and in Plenary are scheduled for January and February respectively.

The meeting will enable to continue the discussion within the EP on several critical issues such as elephants, polar bears and marine species, with a view to better preparing the Resolution and the CITES COP15 in Doha.

Event supported by MEP Gaston Franco (FR), Vice-President of the "Climate Change" Intergroup
